## Dripping Springs Women's Club

---

# *Dripping Springs Women's Club*

All women who live or work in the Dripping Springs area are invited to join the Dripping Springs Women's Club. The club was formed in 2007 to provide women throughout the area opportunities to interact and acquire information about the community. Annual membership today averages approximately 200.

The club conducts nine events a year, including luncheon meetings with informative programs, a holiday marketplace featuring local businesses and a member/guest holiday party. A listing of the 2019 programs can be found on page 59 of this booklet. Each luncheon meeting features a Non-Profit Spotlight, highlighting a local non-profit organization.

As a community service, the club helps to produce this *"Dripping Springs Area Non-Profit Organizations and Clubs Directory"*. The Dripping Springs Women's Club also awards a college scholarship to a female high school graduates who reside within the Dripping Springs ISD boundaries. Students from private, public and home-schools are eligible.
